7. Highways and Footpaths

(1) Referring to item 4(a) above, the following matters remain to be cleared:-

- (a) Overgrown hedge at Cloatley End Farm -
(b) Footpath fingerposts to be repaired/re-instated

(2) Footpath 26 - Hankerton Field Farm

A decision took place on the matter of the signing of the permissive route and the legal line of the above footpath. It was agreed that more way-markers were required and it was agreed that Colin Lovelock (WCC Rights of Way Warden) be invited to meet Peter Jefferies in order to finally iron out the problems of this footpath. The Clerk will approach Colin Lovelock accordingly.

At this point the Chairman adjourned the Meeting to give the members of the public present the opportunity to raise matters of concern. A member of the public expressed his concern over the matter of Footpath 26 and he concurred with the action to be taken. A member of the public expressed her concern over the positioning of the new Parish Notice Board and after discussion it was agreed to form a sub-committee to examine the possibility and desirability of positioning the new board on another site. The sub-committee will be Karma Boss, David Preston and David Wood. Their recommendations are required to be in hand within the next two weeks.

The Chairman then reconvened the Meeting.
